## Participation in 21st Caritas Internationalis General Assembly, Rome, May 2019

President of Caritas Tajikistan Fr. Pedro Ramiro Lopez represented the organization in 21st CI GA. It was for him and all staff of CT an exciting event. CI Strategic framework and many ratified decrees in the event become a guiding basis for the whole confederation. Upon arrival back home Fr. Pedro shared with staff information about the event. There were materials from GA and presentations that enriched his narrative. The organization was prepared for this event and presented there its posters and materials devoted to "Share the Journey" campaign.

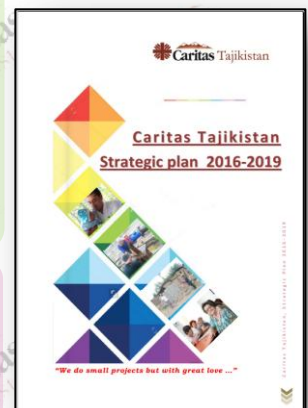

## Caritas Partners country forum

It is gradually becoming a tradition for Caritas organizations working in Tajikistan to come together and hold exchange meetings. This time the exchange meeting holds using opportunity that representative of Caritas Luxembourg visited the country. Beside the local Caritas, Caritas Luxembourg, Germany and Swiss are working in the country. This time the meeting was attended by all organizations except Caritas Swiss representative. These exchanges yet cannot be considered as a full forum event, but they are initial steps towards organizing Caritas country forums.

## Strategic Plan review

Team of CT has reviewed its strategic plan 2016-19. It was developed in 2016 with the support of FCL and guidance of consultant Karl Amman, Caritas expert. This year is the last year of the plan and this review had an aim to assess progress against set objectives of the plan. The review showed that CT mainly accomplished an activities of an operational plan developed for SP implementation. Such, 79% of the plan's activities considered as accomplished, 13% as unaccomplished and the rest is uncertain. Till end of the year some progress still can be done in the accomplishment of the plan. Next year with consideration of the new I strategic framework CT will develop its new plan for 2020-24.

## Work in juvenile colony

CT resumed its work in the penitentiary system (PS) of the country. This year, CT will work with its WASH project in upbringing colony for juvenile. This educational colony works with juvenile that committed crime and needs correction education. Caritas will improve access of young convicts to wash services in the colony. For this purpose the activity will help the system to renovate key WASH facilities. We note that CT together and FCL in Tajikistan have good cooperation with PS of the country.
